

Mexicans Today

Today, Issachar, who are the Mexicans today, have been subject to abuse for centuries. They work hard for minimal pay, work multiple jobs, many are told that they're illegal "aliens", and then forced out of The "U.S.", to suffer in extreme poverty in Mexico where jobs are low and the drug cartel infects the land. The only illegal Aliens that live among us are the same people who came and conquered our people centuries ago. However, remember why this happened to our people! God allowed this to happen for being disobedient to His laws, and worshipping strange new gods like Guadalupe, Santa Muerte and many others. If we repent, and keep the commandments, the tribe of Issachar, along with the other 11 tribes of Israel will overcome the wickedness and atrocities that were committed against US with the second coming of Jesus Christ, the black messiah! Revelations 2:26 And he that overcometh, and keepeth my works (The commandments) unto the end, to him will I give power over the nations:

The Truth About Mexicans

Mexicans, from all over America, are a strong people, and by blood line, a chosen people according to the Holy Bible! They are known as the tribe of

Genesis 49: 1 And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days.(We are in the Last Days!) 2 Gather yourselves together, and hear, ye sons of Jacob; and hearken unto Israel your father

Genesis 49:14 Issachar is a strong ass couching down between two burdens:

Mexican are smart and very hard working people. The Most High compared Mexicans to strong donkeys due to their ability to sustain heavy workloads.

Genesis 49:15 And he saw that rest was good, and the land that it was pleasant; and bowed his shoulder to bear, and became a servant unto tribute.

Mexico is famous for the Siesta: A short nap taken in the early afternoon, often after the midday meal.

Mexicans are "servants unto tribute" because of their willingness to work any job from minimum to below normal wage, and multiple jobs 12+ hrs per day.

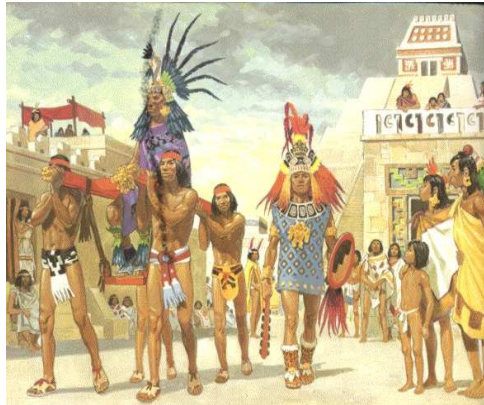

Issachar was the 9th born son of Jacob. His name means “He is Hired”.

The word Azteca comes from Issachar

Deuteronomy 33:18 And of Zebulun he said, **Rejoice, Zebulun, in thy going out; and, Issachar, in thy tents. 19** They shall call the people unto the mountain; there they shall offer sacrifices of righteousness: for they shall suck of the abundance of the seas, and of treasures hid in the sand.

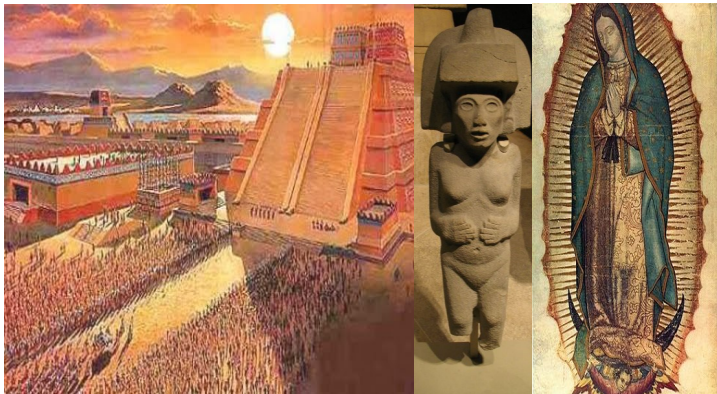

(Zebulun/Zebulon are the peoples of Central America today, or the Ancient Mayans.) At one time, they offered righteous sacrifices, according to the commandments. Issachar called Zebulun with the Rams Horn, just as in Israel, to come and offer sacrifices. However, their sacrifices were anything but righteous. They sacrificed human flesh, and were reputed for eating body parts, especially the heart. Cannibals of the worst form!

Hosea 8:13 They sacrifice flesh for the sacrifices of mine offerings, and eat it; but the LORD accepteth them not; now will he remember their iniquity, and visit their sins: they shall return to Egypt.

[14] For Israel hath forgotten his Maker, and buildeth temples...

The Aztecs erected pyramids, like their forefathers did in Egypt; in Teotihuacan, at Uxmal, Tocana, Chiapas, Pico de Orizaca.

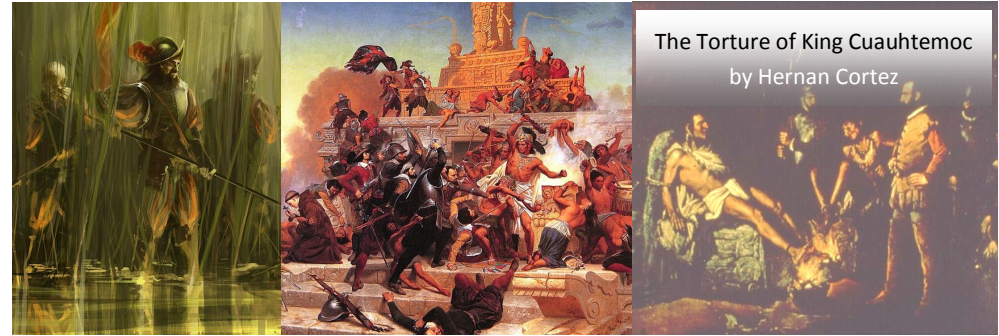

These temples were offered to many Gods such as Quetzalcoatl, Tlalac, and the Goddess Tonantzin, which is known today as “Our Lady” La Guadalupe, a so called version of Mary that does not exist in the bible!

Guadalupe was created by the Spaniards after they destroyed the temple of Tonantzin at the base of the Hill of Tep-eyac or **Tepeaquilla**.

The Downfall of The Mexicans

According to Deuteronomy 28:15-68, Israel was warned that **if WE did not keep the commandments that God had given them, curses would befall US:**
Deuteronomy 28:49 The LORD shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth;
a nation whose tongue thou shalt not understand(English, French, Spanish, etc);
50 A nation of fierce countenance, which shall not regard the person of the old, nor shew favour to the young:

In 1519, Spain began to absorb Mexico, and for 3 centuries, Mexico fell to Spain's Empire. Men such as Vasco de Balboa, Francisco de Cordoba, and Hernan Cortez were responsible for the conquest of Mexico. Millions were tortured, enslaved and killed under the conquest.

Evangelization began in the mid-1520s and continued in the 1530s. Many of the evangelists learned the native languages and recorded aspects of native culture, providing a principal source for our knowledge about them. The Council of Indies and the mendicant establishments, which arose in Mesoamerica as early as 1524, labored to generate capital for the crown of Spain and **convert the Indian populations to Catholicism.** During this period and the following Colonial periods the sponsorship of mendicant friars and a process of religious syncretism combined the Pre-Hispanic cultures with Spanish socio-religious tradition. **Deuteronomy 32:17** **They sacrificed unto devils, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not.**
